## SUMMARY

Cybersecurity major at Brigham Young University with a strong foundation in security principles, software development, and cloud infrastructure. Proficient in multiple programming languages and experienced in deploying live applications using AWS. Passionate about mentoring and teaching, with a proven ability to connect with others and create meaningful learning experiences.

---

## TECHNICAL SKILLS

- **Programming Languages:** Python, HTML, CSS, Java, JavaScript, C++ (Intermediate proficiency)
  - **Cloud & DevOps:** AWS (Application Deployment)
  - **Languages:** Advanced Spanish (Scored 6.7 on the official E.I. grading scale)
- 

## PROJECTS

From my github repositories:

- **To-do-project:** To-do application with login functionality (AWS, JS, PHP, HTML, CSS)
  - **Cowboy runner:** JavaScript-based game inspired by Google's Dino game (JS, HTML, CSS)
  - **Hangman game:** Simple hangman game made with Python - done as a challenge and was completed under 2 hours
- 

## WORK EXPERIENCE

### DataAnnotation — AI Training Contributor

*May 2024 - Present*

- Worked on coding-related projects to refine AI training models through data annotation and analysis.

### **FSY (For the Strength of Youth) — Counselor & Assistant Coordinator**

*May 2022 - August 2022, May 2023 - August 2023*

- Led and mentored groups of 10-15 youth in week-long programs, providing guidance and instruction.
- Promoted to Assistant Coordinator, overseeing counselor well-being and effectiveness in fulfilling responsibilities.

### **Missionary Training Center (MTC) — Spanish Language Instructor**

*August 2023 - July 2024*

- Conducted intensive 4-week Spanish language courses for missionaries.
  - Provided mentorship to prepare individuals emotionally and mentally for international assignments.
- 

## **EDUCATION**

### **Brigham Young University**

*Five semesters completed, ongoing*

Major: Cybersecurity

### **Overland High School**

*Graduated May 2019*

---

## **VOLUNTEER EXPERIENCE**

### **Virginia Richmond Mission (Spanish-Speaking)**

*September 2020 - March 2022*

- Developed advanced Spanish fluency and cross-cultural communication skills.
- Gained experience in problem-solving, leadership, and community engagement.
